

# Project Presentations

JD Kilgallin

CPSC:480

11/28/22

# Notes

- Project 4 checkpoints look good! All artifacts due Friday, 11:59 PM.
- Final lecture Wednesday with a conclusion, review of material since midterm, and prep for the final exam.
- Practice final solution is posted, minus part 3 diagrams.
- Please fill out today's survey before leaving class. There will not be a separate self-evaluation, contrary to the 30-day plan on GitHub.
- Presentations >10min will lose points. Hard stop at 11. Presentation order:
  - Dyno Discordance
  - Team\_name not found
  - Beary Boys
  - Web Wizards
  - Cybersquad 2077
  - Spinning Dog Cube
