

Name_____

CPSC:480 SWE Presentations Survey

For each team, including your own, list your top observation on that team's project and presentation, positive or negative.

Beary Boys_____

Cybersquad 2077_____

Dyno Discordance_____

Spinning Dog Cube_____

Team_name_not_found_____

The Web Wizards_____

On the back, please list the project (*besides your own team's*) that you would be the most interested in joining based on today's presentations, and describe what stood out to you that makes their project seem likely to succeed.

Please also list a team who best demonstrated skills your team could use if your project was selected to have engineers from other teams added, and what those skills are that your project could benefit from.
